

Google Classroom Login with TMEMS Chromebook

Step #	Instructions	Icon/Images
#1	Find and review the email from your child's teacher that contains the username and password information for your child's TMEMS Google Account	
#2	Power on your child's TMEMS Chromebook	
#3	Make sure you are on the screen that asks you to, "Sign in to your Chromebook"	
#4	Enter the username that was provided by your child's teacher in the spot titled, "Enter your email" and click "Next"	
#5	Enter the password that your child's teacher provided in the spot titled, "Enter your password" and click "Next"	
#6	You will then set up the internet on your Chromebook by clicking on the internet icon at the bottom right of your Chromebook screen <ul style="list-style-type: none">Set up the internet using the internet connection that is accessible to you; home, hotspot, etc.	
#7	Click on the Google Chrome Browser Icon at the center of the bottom of the screen	

<p>#8</p>	<p>Once you have opened the Google Chrome Browser, you will see this Google Apps icon in the upper right of your screen. Click on this icon to open your child's Google Apps.</p>	
<p>#9</p>	<p>Then select the Google Classroom icon</p>	
<p>#10</p>	<p>Once you have clicked on the Google Classroom icon, you will see a blank page that asks you to add new classes.</p>	
<p>#11</p>	<p>Click on the plus sign in the upper right hand corner of your screen and enter the class code that your child's teacher has provided and click "Join"</p>	
<p>#12</p>	<p>You will then see the box for your child's class pop up. Click on that class and begin exploring and completing work that your child's teacher has assigned.</p>
