

# Google Classroom Login Through Multiple Browsers/Devices

Step #	Instructions	Icon/Images
#1	Find and review the email from your child’s teacher that contains the username and password information for your child’s TMEMS Google Account	
#2	Power on your device	
#3	Open your internet browser and type in <a href="https://classroom.google.com">https://classroom.google.com</a> , you will be prompted to sign in to your Google account.	
#4	You <b>may</b> find that you need to click a link to “Go to Classroom” on certain browsers/devices. Click, “Go to Classroom” if necessary	<p style="text-align: center;"><b>Manage teaching and learning with Classroom</b></p> <p style="text-align: center;">Classroom helps students and teachers organize assignments, boost collaboration, and foster better communication.</p> <p style="text-align: center;"><a href="#">Go to Classroom</a></p>
#5	Enter the username that was provided by your child’s teacher in the spot titled, “Email or phone” and click “Next”	

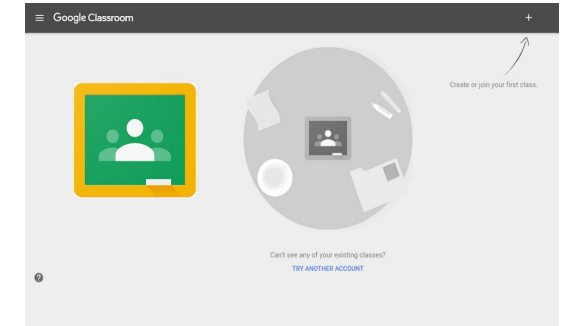

#6

Enter the password that your child's teacher provided in the spot titled, "Enter your password" and click "Next".

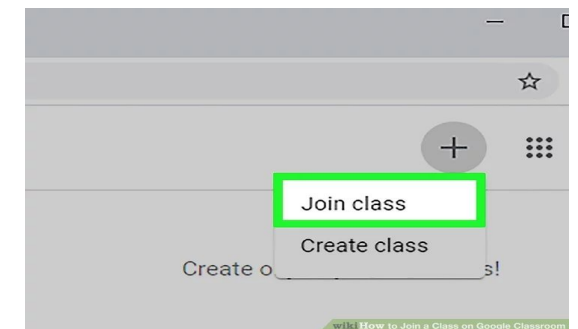

#7

Once you are on the Google Classroom page, you will see a blank page that asks you to add new classes.

#8

Click on the plus sign in the upper right hand corner of your screen and enter the class code that your child's teacher has provided and click "Join".

#9

You will then see the box for your child's class pop up. Click on that class and begin exploring and completing work that your child's teacher has assigned.
